This beautiful Victorian Mansion was marketed and SOLD by Walt Poff back in 2003 using his website [www.conneautmansion.com](http://www.conneautmansion.com) shortly after he started his real estate career. At the time Walt was working for Gleason Realty. Before Walt listed and marketed this property it had been for sale for several years with little to no activity. Within 30 days of listing the property Walt had 2 buyers bidding against each other for the property. About a year later Walt started Nova Star Real Estate. Photo Credit: Walt Poff
